12 Week Challenge

It's hard to judge a church by attending only one weekend service, so we've got a challenge for you. Come each week for 12 weeks and if you don't see marked improvements in your daily and spiritual life, perhaps we're not the church for you; but if you do see a change, then keep on coming because that's just the beginning of all God has for you!

A Word From Pastor Gunn

God is moving in a genuine way at LWC. We're a church of worship, Bible Study, mission outreach, prayer, evangelism and discipleship. I know that as you worship with us you're going to experience the love and power of God at work in your life.

Our goal in this community is "to make a difference" in the lives of people. Jesus Christ makes the difference in men, women, and children. Don't let your past stop you from discovering all that God has for you. This is a place of healing and hope. We want to be available to you and help in any way possible as Christ gives you and yours a fresh start.

My wife Audrey and I thank you for visiting with us.
